SUBJECT : Proposed Field Regulation [REDACTED] Records Dis-
tribution, Disposition of Financial Records
(Job #1194-REB)

1. Subject regulation is attached for comment and concurrence.

2. The Comptroller, who originated this regulation, states that it is required in order to inform field installations the length of time that duplicate vouchers and other financial records should be retained at the station.

3. Any questions concerning subject regulation should be referred to [REDACTED] Technical Accounting Staff, Office of the Comptroller, [REDACTED]

4. It is requested that your comments and concurrence be indicated on the attached Concurrence Sheet and forwarded to this Staff by 12 July 1955.
